(ii) Use of appropriate greating \_

\* Greetings, are hotty debated.

\* Greetings depends on the necipient. It your team, writing to a close colleage on your team, an informal 'Hi' will be sufficient.

has already been established in a prior email, then its fine to would with no greating.

then always add a found salutation and an introduction.

(iii) Be wary of using human or colloquialism across cultures—

Be aware that funny sayings or colloquialisms may

be completely mis constitued by your colleagues in

over row effices.

(iv) Considering puripose of email

\* Always state of your email needs vant actions and by

or even letting the recipient know that no further actions is nequired is helpful.

\* Visualize what you want to achieve and modify your language as such.

## Answer, 04

a. "Ilig will encourage that employee to work hard bor botter as getting jobs, is not easy.

If the situation worsers where g trid helshe not working upto the mark con bunking, he our she has to be fired for not cooperating. Also g will first talk to east my subordinate whether helshe understand the task on is overwhelmed by the assignment."

b. "Both the sectors are very challenging & dynamic as well, but according to me salary plays a important role in lifestyle which is very good and high in private sector as companed to public sector, but a public sector gives job garauntee and security which is very important. A private sector can fixed me any time as there is no job security. So I will choose a public sector radher than private sector But I a company like yours giving me
